(a) If the offeror has established with regulated common carriers transit privileges that can be applied to the supplies when shipped from the original source, the offeror is invited to propose to use these credits for shipping the supplies to the designated Government destinations. The offeror will ship these supplies under commercial bills of lading, paying all remaining transportation charges connected with the shipment, subject to reimbursement by the Government in an amount equal to the remaining charges but not exceeding the amount quoted by the offeror.

(b) After loading on the carrier's equipment and acceptance by the carrier, these shipments under paid commercial bills of lading will move for the account of and at the risk of the Government (unless, pursuant to the Changes clause, the office administering the contract directs use of Government bills of lading).

(c) The amount quoted below by the offeror represents the transportation costs in cents per 100 pounds (freight rate) for full carload/truckload shipments of the supplies from offeror's original source, via offeror's transit plant or point, to the Government destination(s) including the carrier's transit privilege charge, less the applicable transit credit (i.e., the amount (rate) initially paid to the carrier for shipment from original source to offeror's transit plant or point).

(d) The rate per CWT quoted will be used by the Government to evaluate the offered f.o.b. origin price unless a lower rate is applicable on the date of bid opening (or closing date specified for receipt of offers). To have the offer evaluated on this basis, the offeror must insert below the remaining transportation charges that the offeror agrees to pay, including any transit charges, subject to reimbursement by the Government, as explained in this clause, to destinations listed in the Schedule as follows:

Rate Per CWT in Cents: _____
To Destination: _____

(End of clause)

F.2.30 52.247-60 Guaranteed Shipping Characteristics (Jan 2017)

(a) The offeror is requested to complete paragraph (a)(1) of this clause, for each part or component which is packed or packaged separately. This information will be used to determine transportation costs for evaluation purposes. If the offeror does not furnish sufficient data in paragraph (a)(1) of this clause, to permit determination by the Government of the item shipping costs, evaluation will be based on the shipping characteristics submitted by the offeror whose offer produces the highest transportation costs or in the absence thereof, by the Contracting Officer's best estimate of the actual transportation costs. If the item shipping costs, based on the actual shipping characteristics, exceed the item shipping costs used for evaluation purposes, the Contractor agrees that the contract price shall be reduced by an amount equal to the difference between the transportation costs actually incurred, and the costs which would have been incurred if the evaluated shipping characteristics had been accurate.

(2) To be completed by the Government after evaluation but before contract award:

- (i) Rate used in evaluation _____;
- (ii) Tender/Tariff _____;
- (iii) Item _____.
- (b) The guaranteed shipping characteristics requested in paragraph (a)(1) of this clause do not establish actual transportation requirements, which are specified elsewhere in this solicitation. The guaranteed shipping characteristics will be used only for the purpose of evaluating offers and establishing any liability of the successful offeror for increased transportation costs resulting from actual shipping characteristics which differ from those used for evaluation in accordance with paragraph (a) of this clause.

(End of clause)

F.2.31 52.247-62 Specific Quantities Unknown (Apr 1984)

(End of clause)

F.3 TERM OF BASIC CONTRACT

The period of performance consists of one (1) five-year base period plus one (1) three-year option period and one (1) two-year option period (Ordering Period of Performance). The Government may unilaterally exercise the option periods.

Base period	05/03/2017 through 05/02/2022
Option period 1	05/03/2022 through 05/02/2025
Option period 2	05/03/2025 through 05/02/2027

The Government may extend the term of this contract by written notice in accordance with FAR 52.217-9, Option to Extend the Term of the Contract.

F.4 TASK ORDER PERIOD OF PERFORMANCE

The term for each Order placed under the Basic Contract shall be specified in the individual Order. Under no circumstances may an Order be placed under the Basic Contract if the Basic Contract has expired, or has been terminated or cancelled by the Government. Based upon the schedule in F.3, the Base Period expires May 2, 2022. If all options are exercised, the Basic Contract will expire on May 2, 2027. (See FAR 52.216-18, 52.216-19 and 52.216-22.) Task Order performance can be performed up to May 2, 2032, which is past the Basic Contract expiration date, only when: (1) orders are issued before May 2, 2027; and (2) options are included at initial issuance of the Order. The FAR Clause 52.217-8 Option to Extend Services cannot be used to extend work past May 2, 2032.

After the CS3 basic contract term expires, CS3 will remain an active contract until the final task order is closed-out and shall govern the terms and conditions with respect to active task orders to the same extent as if it were completed during the CS3 basic contract term.

Accordingly, the cumulative term of CS3 basic contract may span up to 10 years. No individual task orders may exceed ten (10) years, inclusive of options, from the date that the task order is placed; the cumulative term of all task orders placed under CS3 may span up to 15 years.

Notwithstanding anything to the contrary above, an ordering agency may place a multi-year task order under the CS3 Basic Contract; a task order using multi-year contracting methods must be consistent with FAR Subpart 17.1 and any applicable funding restrictions.

F.5 PLACE OF PERFORMANCE

The place of performance and/or delivery requirements will be specified in each individual order.

F.6 DELIVERIES

This section identifies the items that the Contractor shall deliver to the Government and/or the Government’s agent(s) under the Basic Contract. Individual orders will have additional deliverables specified in each order. In this section, the items the Contractor delivers are called “deliverables.”

The Contractor shall provide the deliverables in the media specified by the Government.

SECTION G

CONTRACT ADMINISTRATION

G.1 AUTHORIZED USERS

Only authorized users may place orders under the Basic Contract. In order to qualify as an authorized user, a duly warranted Contracting Officer (as that term is defined in FAR Subpart 2.1) in good standing must have an appropriate signed delegation of procurement authority (DPA) from GSA. For purposes of this Basic Contract, these authorized users are identified as Ordering Contracting Officers (OCOs).

This Basic Contract is for use by all Federal agencies, and others as listed in General Services Administration (GSA) Order ADM 4800.2H, ELIGIBILITY TO USE GSA SOURCES OF SUPPLY AND SERVICES, June 2013, as modified from time to time.

G.2 ROLES AND RESPONSIBILITIES

This section describes the roles and responsibilities of Government personnel after Basic Contract award. The Government may modify the roles and responsibilities at any time during the period of performance of the Basic Contract.

G.2.1 GSA Program Manager (PM)

The Government has appointed a Program Manager (PM), who shall perform various programmatic functions for the overall success of the Future COMSATCOM Services Acquisition (FCSA) program, including Complex Commercial SATCOM Solutions (CS3). The PM has no actual, apparent or implied authority to bind the Government for any acts or omissions.

G.2.2 Procuring Contracting Officer (PCO)

The GSA PCO is the sole and exclusive Government Official with actual authority to award the Basic Contract. After award of the Basic Contract, the GSA PCO may delegate any or all of the contract administration functions described in FAR 42.302 and may appoint an Administrative Contracting Officer (ACO) to perform administration functions described in FAR 42.302.

G.2.3 Ordering Contracting Officer (OCO)

As described in Section G.1, only an authorized user, who is a delegated OCO, may place and administer an Order under the Basic Contract. A Statement of Work (SOW)

or Performance Work Statement (PWS) must be submitted to the GSA PCO and GSA PM for a scope review according to Section G.3.2.

The OCO for each Order is the sole and exclusive Government Official with actual authority to take actions which may bind the Government for that Order. Contractors shall ensure that an OCO has the required DPA. Contractors that accept orders from a Government representative who does not have the authorized DPA do so at their own risk. To ensure the required delegation, Contractors may request a copy of the OCO delegation prior to award of an Order if the Contractor does not have a copy of the OCO delegation.

G.2.4 Contracting Officer's Representative (COR)

The PCO will designate a COR at the basic contract level to monitor the basic contract-level deliverables. At the Task Order level, the OCO may designate a COR to provide assistance to the OCO.

The specific rights and responsibilities of the CORs shall be described in writing, which upon request shall be provided to the Contractor. A COR has no actual, apparent or implied authority to bind the Government.

G.2.5 Ombudsman

Pursuant to FAR 16.505 (a)(10)(i) no protest is authorized in connection with the issuance or proposed issuance of an order under a task-order contract or delivery-order contract, except for (A) a protest on the grounds that the order increases the scope, period of performance, or maximum value of the contract; or (B) a protest of an order valued in excess of \$10 million.

GSA has appointed an Ombudsman to review complaints from Contractors and ensure they are afforded a fair opportunity to be considered. The Ombudsman is a senior GSA official who is independent of the GSA PCO or OCO.

G.3 ORDERING PROCEDURES

G.3.1 Ordering procedures must comply with the following:

G.3.1.1 FAR 16.505;

G.3.1.2 Orders are not exempt from the development of acquisition plans (see FAR Subpart 7.1), and an information technology acquisition strategy (see FAR Part 39);

G.3.1.3 The OCO shall include the evaluation procedures in Task Order Requests (TORs) and establish the time frame for responding to TORs, giving Offerors

a reasonable proposal preparation time while taking into account the unique requirements and circumstances of the effort;

- G.3.1.4** Orders shall be within the scope, issued within the period of performance, and be within the maximum value of the Basic Contract;
- G.3.1.5** All costs associated with the preparation, presentation, and discussion of the Offeror's proposal in response to a TOR will be at the Offeror's sole and exclusive expense; and
- G.3.1.6** All orders placed under the Basic Contract are subject to the terms and conditions of the Basic Contract at time of order award. In the event of any conflict between the Order and the Basic Contract, the Basic Contract will take precedence.
- G.3.1.7** Orders placed by OCOs may include required Agency provisions/clauses.
- G.3.1.8** Orders may be issued by any electronic commerce methods deemed acceptable by the Ordering Activity.

G.3.2 Statement of Work/Performance Work Statement

Per FAR 37.102(e), to the maximum extent practicable, the Ordering Activity shall describe the need to be filled using performance-based acquisition methods. A written SOW or PWS will always be used. The OCO will provide the SOW/PWS to the GSA PCO and GSA PM. The GSA PCO will provide a scope determination to the OCO.

Any changes to the SOW/PWS or expansion of the original requirement will require an additional scope review by the GSA PCO.

Scope reviews can be conducted by GSA and completed in parallel with the OCO's Task Order acquisition activities. In Task Orders requiring immediate delivery of service for an urgent requirement, the GSA scope review may be completed after the Task Order is awarded.

G.3.3 Fair Opportunity

OCO's must follow the Fair Opportunity procedures specified in FAR 16.505(b)(1) and the exceptions to Fair Opportunity in FAR 16.505(b)(2). Use of the GSA eBuy system by the OCO will ensure that all Basic contract holders are notified of each Task Order request. Information and instruction on the use of the eBuy system is furnished at www.gsa.gov/ebuy

G.3.4 Order Evaluation

FAR Subpart 15.3 does not apply to the ordering process. Formal evaluation plans or scoring of quotes or offers are not required; however, the OCO must consider price under each Order as one of the factors in the selection decision pursuant to FAR 16.505(b)(1)(ii)(E).

G.3.5 Subcontractors

The Government has not pre-approved any Subcontractors in making awards for the Basic Contract. If a Contractor proposes a Subcontractor for work performed under an Order, the Contractor must comply with FAR 52.244-6 and/or FAR 52.244-2, and FAR Part 44. The Government reserves the right to determine the responsibility of prospective major Subcontractors.

G.4 BILLING AND INVOICING

The Contractor shall submit invoices directly to the address designated by the OCO on the Task Order.

G.4.1 System for Award Management (SAM)

Contractors shall register in the System for Award Management (SAM), which is a central database of data in support of Agency missions, prior to being awarded a contract (FAR 52.204-7). Registration requires that the Contractor be issued a Data Universal Numbering System (DUNS) number. Contractors may obtain information on registration at <https://www.acquisition.gov>. Contractors may obtain a DUNS number via the Internet at <http://fedgov.dnb.com/webform>.

G.4.2 GSA Management Fee

The GSA Management Fee for the CS3 contracts is two percent (2%). This fee shall be included in all prices. The Contractor shall not invoice for the GSA Management Fee as a separate line item.

The Contractor shall make Electronic Funds Transfer (EFT) arrangements for payment of the GSA Management Fee. The Contractor shall forward fees collected to the GSA Finance Office by EFT within 30 calendar days of the close of each calendar month for which the fees apply. Failure to pay the fee within 60 calendar days may result in termination of this contract.

G.5.2.1.13 Remaining Balance of Un-remitted GSA Management Fee – Equals "Total GSA Management Fee Due" minus "GSA Management Fee Remitted" for the current reporting period, minus the "Previous GSA Management Fees Remitted" in prior months for a specific Task Order.

G.5.2.2 EFT Number – Transaction identification number of EFT and amount. If more than one EFT payment is submitted for the reporting period, the Contractor shall identify all EFT Numbers and Amounts for the reporting period. G.5.3.1 The Annual Program Review Report shall cover the following topics:

G.5.3.1.1 Task Order Performance

G.5.3.1.1.2 Identify the quality of performance for each Task Order and identify any issues and resolution actions/plan.

G.5.3.1.3 Additional Topics as identified by the GSA PCO.

G.5.4 Subcontracting Reports [REQUIRED FOR OTHER THAN SMALL BUSINESS CONCERNS ONLY]

CS3 Contractors that are other than small business concerns shall submit a small business subcontracting plan as well as submit periodic reports which show compliance with the subcontracting plan. Contractors added to the pool of other than small businesses through the Open Season procedures shall adhere to the requirements of this section (see Section H.16).

The preferred type of small business subcontracting plan for CS3 is the Commercial Plan. However, a Contractor may choose to submit any type of Subcontracting Plan, including a DoD Comprehensive Subcontracting Plan if already approved by the Defense Contract Management Agency (DCMA). The Commercial Plan relates to the Contractor's planned subcontracting generally, for both commercial and government business, rather than solely to the government contract. The Commercial Plan covers the Contractor's fiscal year and applies to the entire production of commercial items sold by either the entire company or a portion thereof (e.g., division, plant, or product line.) This type of Plan does not require submission of the Individual Subcontracting Report (ISR); this Plan requires submission of the Summary Subcontracting Report (SSR). Per FAR 19.704(d) and clause 52.219-9(g), the Commercial Plan is the preferred type of Plan for contractors furnishing commercial items. The ISR and SSR shall be submitted electronically via the Electronic Subcontract Reporting System (eSRS) at www.esrs.gov

Reports are required when due regardless of whether there has been any subcontracting activity since the inception of the contract or since the previous report. See FAR 52.219-9 Small Business Subcontracting Plan.

G.6 PROGRAM REVIEWS

The Contractor shall attend an annual program review with the GSA Program Office. These reviews may be held at the GSA or Contractor facility. Agenda items may include, but are not limited to: Task Order and Service Level Agreement performance against Task Order metrics, contract status, projected business volume forecast, upcoming opportunities, marketing, conferences, and any other outstanding issues. Program Reviews will be conducted at no additional cost to the Government.

G.7 INSURANCE

The insurance coverage specified in FAR Subpart 28.3, Insurance, is the minimum insurance requirement for CS3.

The OCO may require additional insurance coverage or higher limits specific to a task order awarded under CS3. If the task order does not specify any insurance coverage amounts, the minimum insurance requirements in FAR Subpart 28.3 shall apply to the task order. OCOs must tailor insurance coverage clauses, provisions, and other applicable terms and conditions specific to each task order's contract type, solicitation, and award.

The Contractor must maintain the minimum insurance coverage for the entire term of CS3. The Contractor shall notify the CS3 PCO and designated OCO for affected task orders, in writing, if there are any changes in the status of their insurance coverage and provide the reasons for the change and copies of the ACORD® Certificate of Liability Insurance form, as applicable.

G.8 CONTRACT MANAGEMENT OF PAST PERFORMANCE AFTER AWARD

The Government will evaluate Contractor performance in accordance with the criteria under FAR Subpart 42.15.

Contractors will be required to register in the appropriate past performance assessment systems to review and respond to their surveys as prescribed by the OCO at the Order level.

G.9 MARKETING

The Contractor is responsible for ongoing sales and marketing during the life of this contract, which may include developing company specific brochures for distribution at trade shows, conferences, seminars, etc. All marketing and promotional materials, including information on the Contractor webpage, shall be submitted to the GSA Program Office and approved by GSA prior to distribution. Marketing materials may be

co-branded with marks owned or licensed by the Contractor and GSA, as long as they comply with GSAM 552.203-71, Restriction on Advertising.

G.10 EQUIPMENT REMOVAL

All Contractor-owned equipment, accessories, and devices located on Government property shall be dismantled and removed from Government premises by the Contractor, at the Contractor's expense, within 90 calendar days after the service termination date. All dismantling and removal of equipment shall be performed by the Contractor during normal Government business hours at the location. Advance notice must be provided to the local OCO assigned contact to ensure that such dismantling and removal occurs with a minimum of disruption. Exceptions to this requirement shall be mutually agreed upon and written notice issued by the OCO.

G.11 CONTRACT CLOSEOUT

G.11.1 Contract closeout shall be accomplished within the guidelines set forth in:

G.11.1.1 FAR Part 4.8 Government Contract Files.

G.11.1.2 FAR Part 42 Contract Administration and Audit Services.

G.11.1.3 GSAM Subpart 504.8 Government Contract Files.

G.11.2 The Contractor agrees to cooperate with the OCO to close out task orders after expiration, cancellation, or termination.

G.12 GENERAL SERVICES ADMINISTRATION ACQUISITION MANUAL (GSAM) CLAUSES

(a) GSA has designated a Task-Order and Delivery-Order Ombudsman who will review complaints from contractors and ensure that they are afforded a fair opportunity for consideration in the award of task or delivery orders under Indefinite Delivery/Indefinite Quantity (ID/IQ) contracts, consistent with the procedures in the contract. Written complaints shall be submitted to the Ombudsman, with a copy to the Contracting Officer.

(b) In the case that the contractor is not satisfied with the resolution of the complaint by the GSA Task-Order and Delivery-Order Ombudsman, the contractor may follow the procedures outlined in subpart 33.1.

(c) The GSA Task-Order and Delivery-Order Ombudsman is located at the General Services Administration (GSA), Office of Government-wide Policy (OGP), Office of Acquisition Policy (MV). (END OF SECTION G)

SECTION H

SPECIAL CONTRACT REQUIREMENTS

H.1 TYPE AND TERM OF CONTRACT

This is a firm fixed price Indefinite Delivery/Indefinite Quantity (ID/IQ) type contract. All Task Orders issued against this contract will be Firm Fixed Price.

Section F.3 (Term of the basic contract) and F.4 (Task Order Period of Performance) provide the performance and ordering terms for Complex Commercial SATCOM Solutions (CS3).

H.2 MINIMUM REVENUE GUARANTEE

The minimum revenue guarantee (MRG) amount for each award will be \$1,000.

H.3 MAXIMUM CONTRACT VALUE

The total maximum contract value is \$2.5 Billion.

H.4 ELECTRONIC ACCESS TO CONTRACT VIA INTERNET

The Contractor is hereby advised that a redacted version of the contract and all modifications shall be made available on the Internet. Within 15 calendar days of the base award and all modifications, the Contractor shall provide the proposed redacted contract to the General Services Administration (GSA) Procuring Contracting Officer (PCO) for approval. The Contractor shall prepare the proposed redacted version in accordance with Freedom of Information Act guidance. After receiving approval from the GSA PCO, the Contractor shall post the redacted contract to its public web site. As necessary, and upon approval of the GSA PCO, the Contractor shall correct and repost redactions at no additional cost to the Government.

The redacted version of the contract shall include current contract period pricing.

H.5 NEWS RELEASES

News releases pertaining to this contract shall not be made without prior written approval of the GSA PCO. Five business days' notice is required for approval.

H.6 U.S. CITIZENSHIP REQUIREMENTS

Contractors are hereby placed on notice that work on some orders, especially those requiring site visits to some U.S. Government locations or work on some Government Furnished Property, may require Contractor personnel performing the work to have U.S.

citizenship and to be able to provide proof of that citizenship. This shall be provided at no additional cost to the Government.

H.7 CONFIDENTIALITY

In providing information in response to Task Orders or other Government requests for information, the Contractor may wish to claim confidentiality status for information submitted on the basis that it is a trade secret, or that it is confidential commercial or financial information. To claim confidentiality status, the Contractor must include the following statement on the title page of its proposal or other information submitted:

“The data included in this proposal shall not be disclosed outside the Government or duplicated, used, or disclosed in whole or in part for any purpose other than to evaluate the information; provided that if a Contract is awarded to the Offeror as a result of or in connection with the submission of the data, the Government shall have the right to duplicate, use, or disclose the data to the extent provided in the contract. This restriction does not limit the Government’s right to use information contained in such data if it is obtained from another source without restrictions. The data subject to the restriction is contained in sheets marked with the following legend:

Use or disclosure of data contained on this page is subject to the restriction on the title page of this document.”

H.8 CONTRACT MODIFICATIONS AND NEW OR IMPROVED SERVICES

Within scope changes to the contract may be proposed at any time by the Contractor or the Government. Based on Government needs, market research, industry trends, or discussions with Contractors, GSA may incorporate new or enhanced services to the contract throughout its life, provided such modifications are within the scope of the contract. Under such circumstances, GSA will issue a request for proposal stating what the Government’s needs are and the Contractor will be encouraged to respond.

The Contractor at any time during the life of the contract may also submit proposals for new services or enhanced services within the scope of the contract, and the GSA PCO will consider those proposals.

H.9 SECTION 508 COMPLIANCE

The Contractor shall ensure that any Electronic and Information Technology (EIT) procured at the Task Order level shall meet the applicable accessibility standards at 36 CFR 1194, if applicable. 36 CFR 1194 implements Section 508 of the Rehabilitation Act of 1973, as amended. This standard is viewable at www.section508.gov.

H.10 GOVERNMENT PROPERTY

Any equipment, property, or facilities furnished by the Government or any Contractor-acquired property must be specified on individual Task Orders and follow the policies and

procedures of FAR Part 45 for providing Government property to Contractors, Contractors' use and management of Government property, and reporting, redistributing, and disposing of Contractor inventory.

H.12 INCORPORATION OF SUBCONTRACTING PLAN

Not applicable for small business concerns.

H.13 LEASING OF REAL AND PERSONAL PROPERTY

The Government contemplates that leases may be part of a solution offered by a Contractor, but the Government, where the Contractor's solution includes leasing, will not be the Lessee. Under no circumstances on any Order issued under this Basic Contract shall:

- (a) The Government be deemed to have privity of contract with the owner/lessor of the leased items; or
- (b) The Government be held liable for early termination/cancellation damages if the Government decides not to exercise an Option period under an Order unless the Contractor has specifically disclosed the amount of such damages (or the formula by which such damages would be calculated) as part of its Proposal and the Ordering Contracting Officer (OCO) for the Order has specifically approved/allowed such damages as part of the Award.

The CS3 Basic Contract strictly prohibits the use of lease-like payment arrangements, which purport to permit the Government to receive delivery of items and then pay for the full cost of the items over time, even if such arrangements are not technically a lease transaction because the Government is not the lessee.

H.14 ORGANIZATIONAL CONFLICT OF INTEREST

The guidelines and procedures of FAR Subpart 9.5 will be used in identifying and resolving any issues of organizational conflict of interest at the Task Order level.

In the event that a Task Order requires activity that would create an actual or potential conflict of interest, the Contractor shall:

- (a) Notify the OCO of the actual or potential conflict, and not commence work on any Task Order that involves a potential or actual conflict of interest until specifically notified by the OCO to proceed;
- (b) Identify the conflict and recommend to the OCO an alternate tasking approach which would avoid the conflict;

If the OCO determines that it is in the best interest of the Government to issue the Task Order, notwithstanding a conflict of interest, a request for waiver shall be submitted in accordance with FAR Section 9.503.

H.15 TRAVEL

Travel shall be in accordance with (IAW) individual Task Order requirements. Travel details must be provided to and approved by the Contracting Officers Representative (COR) or the Government designee prior to the commencement of travel. All travel shall be IAW the Federal Travel Regulations (FTR). Outside the Contiguous United States (OCONUS) travel may require additional authorization and approvals as specified in the individual Task Order. (Department of Defense agencies must comply with the Joint Travel Regulations (JTR))

H.16 OPEN SEASON

It is in the Government's best interest to maintain an adequate number of small business Contractors eligible to compete for CS3 small business set-aside task orders to meet the Government's complex COMSATCOM requirements. In order to do that, the Government may declare an Open Season to replenish the pool of small businesses under North American Industry Classification System (NAICS) 517410 on the CS3 ID/IQ vehicle. This is important as the original CS3 small business awardees may outgrow their small business size standard on this long term contract. Small businesses that "graduate" the size standard for NAICS 517410 and recertify as an other than small business concern may elect to remain on CS3 as a large business. The number of Contractors may fluctuate due to a number of factors, to include mergers & acquisitions and Contractors outgrowing their small business size status under their existing CS3 Contract.

The number of Contractors added as a result of an open season event will be at the sole discretion of the Government. The award of additional ID/IQ contracts does not increase the overall ceiling of the original contract. Contracts awarded hereunder shall include the same terms and conditions of this Contract and shall not exceed the remaining period of performance. Existing Contractors cannot hold more than one CS3 ID/IQ contract at any given time. Previously awarded task orders will not be affected by an open season event.

The Government, at its discretion and when determined to be in its best interest, reserves the unilateral right to determine if and when an unrestricted open season is conducted to add Contractors to (1) ensure adequate competition is maintained and (2) that within the Contractor pool there is a high-quality mix of resources that Contractors have to perform expected task order requirements [FAR 16.504(c)(1)(ii)(A)].

H.16.1 Small Business Open Season

In the event the Government determines in its best interest that it is appropriate to declare an Open Season event to replenish the pool of CS3 small businesses, the Government will publicize said event at the Federal Business Opportunities website at least 30 days in advance of posting the formal open season solicitation. After posting the solicitation and receiving proposals, the Government will evaluate new proposals with the intention of awarding contracts to refresh the pool of small business Contractors. These proposals shall be subject to substantially the same evaluation procedures, documentation, and criteria (updated to reflect changes in regulatory provisions and commercial practices and certifications) as were used for the original solicitation and competition.

Following the published open season notice in Federal Business Opportunities in accordance with FAR Part 5, Publicizing Contract Action, Small business Contractors shall:

- H.16.1.1** Submit a proposal in response to the CS3 solicitation that is materially identical to the original version of the CS3 solicitation; and
- H.16.1.2** Receive a proposal rating that is equal to or higher than the lowest scoring Contractor within the pool of CS3 Contractors. (NOTE: The lowest scoring Contractor is based on the lowest evaluated rating in accordance with Section M at the time of the original CS3 awarded contracts.)

The number of Contractors added as a result of an open season event will be at the sole discretion of the Government. Utilization of the Open Season process to replenish the pool of small business concerns does not obligate the Government to perform any other Open Season procedure. The Government anticipates any declaration of an open season will occur prior to exercise of an option period.

H.16.2 Graduating Small Business

For those CS3 small business Contractors who are unable to certify as a small business in accordance with FAR 52.219-28, Post-Award Small Business Program Rerepresentation, the small business Contractor may elect to be considered and be placed in the pool of other than small business (large business) Contractors. Once placed in the pool of large businesses, such Contractors shall not be eligible to participate or compete in any subsequent task order set-aside solicitations. The period of performance term will be coterminous with the existing term of all other CS3 Contractors. Once a small business Contractor graduates and is placed in the pool of large businesses, the Contractor shall adhere to all contract terms and conditions specific to large business concerns, such as small business subcontracting reporting requirements. In order to be eligible to compete for orders as a large CS3 Contractor, the CS3 small business Contractor must:

- H.16.2.1** Have re-represented their size standard as other than small during the term of CS3;

- H.16.2.2** Provided written notice to the GSA PCO within the timeframes specified in FAR 52.219-28(b) that its System for Award Management (SAM) data have been validated or updated to reflect its current status, and have provided the date of the validation or update;
- H.16.2.3** Provided written notice to the GSA PCO of the interest to be considered for placement in the pool of large business CS3 Contractors;
- H.16.2.4** Met all contract terms and conditions specific to large business concerns; and
- H.16.2.5** Demonstrated successful performance under CS3 as determined through review of the Past Performance Information Retrieval System (PPIRS).

Immediately upon transition to the pool of large business Contractors, the formerly small business CS3 Contractor is eligible to submit a proposal in response to any unrestricted task order solicitation and receive task order awards with the same rights and obligations as any large business CS3 Contractor; however, the Contractor is no longer eligible to compete for task orders under the pool of CS3 small businesses. The Contractor must continue performance on active task orders once re-assigned as an other than small business CS3 Contractor, including the exercise of options at the task order level at the discretion of the OCO, until all active task orders are closed-out.

H.16.3 Small Business Rerepresentation

GSA is responsible for ensuring performance and compliance with the terms of CS3 and safeguarding the interests of the Government and the American taxpayer in its contractual relationships. Additionally, GSA must ensure that Contractors receive impartial, fair, and equitable treatment. As a long-term contract, in accordance with FAR 52.219-28, Post-Award Small Business Program Rerepresentation, small business Contractors are required to recertify during the life of the contract. This may result in CS3 small businesses having to rerepresent their size standard as other than small. Such Contractors shall notify the CS3 Procuring Contracting Officer (PCO) in writing within the timeframes specified in FAR 52.219-28(b) that its SAM data have been validated or updated to reflect its current status, and provide the date of the validation or update. On the effective date, such Contractors shall not be eligible to participate or compete in any subsequent task order set-aside solicitations; however, they shall continue performance on previously awarded and active task orders, including the exercise of options and modifications at the task order level. On task orders awarded to a Contractor when the Contractor was considered a small business, the Contractor will continue to be considered a small business, for those orders only. Additionally, once a CS3 small business recertifies as other than small business, the “graduated” Contractor may request to be considered a large business on CS3 (see Section H.16.2 above).

(a) Inspection/Acceptance. The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights—

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(b) Assignment. The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes

payment (e.g., use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(c) Changes. Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(d) Disputes. This contract is subject to 41 U.S.C. chapter 71, Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause at FAR 52.233-1, Disputes, which is incorporated herein by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) Definitions. The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

(f) Excusable delays. The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence such as, acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(g) Invoice.

(1) The Contractor shall submit an original invoice and three copies (or electronic invoice, if authorized) to the address designated in the contract to receive invoices. An invoice must include—

(i) Name and address of the Contractor;

(vi) Terms of any discount for prompt payment offered;

(vii) Name and address of official to whom payment is to be sent;

(viii) Name, title, and phone number of person to notify in event of defective invoice; and

(ix) Taxpayer Identification Number (TIN). The Contractor shall include its TIN on the invoice only if required elsewhere in this contract.

(x) Electronic funds transfer (EFT) banking information.

(A) The Contractor shall include EFT banking information on the invoice only if required elsewhere in this contract.

(B) If EFT banking information is not required to be on the invoice, in order for the invoice to be a proper invoice, the Contractor shall have submitted correct EFT banking information in accordance with the applicable solicitation provision, contract

clause (e.g., 52.232-33, Payment by Electronic Funds Transfer—System for Award Management, or 52.232-34, Payment by Electronic Funds Transfer—Other Than System for Award Management), or applicable agency procedures.

(C) EFT banking information is not required if the Government waived the requirement to pay by EFT.

(2) The due date for making invoice payments by the designated payment office is the later of the following two events:

(i) The 10th day after the designated billing office receives a proper invoice from the Contractor. If the designated billing office fails to annotate the invoice with the date of receipt at the time of receipt, the invoice payment due date shall be the 10th day after the date of the Contractor's invoice; provided the Contractor submitted a proper invoice and no disagreement exists over quantity, quality, or Contractor compliance with contract requirements.

(ii) The 10th day after Government acceptance of supplies delivered or services performed by the Contractor.

(h) Patent indemnity. The Contractor shall indemnify the Government and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges the Contractor can demonstrate to the satisfaction of the Government using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

(m) Termination for cause. The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(o) Warranty. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(p) Limitation of liability. Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

(3) The clause at 52.212-5.

(9) The specification.

(t) System for Award Management (SAM).

(1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete.

Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (t)(2)(i) of this clause, or fails to perform the agreement at paragraph (t)(2)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(4) Offerors and Contractors may obtain information on registration and annual confirmation requirements via SAM accessed through <https://www.acquisition.gov>.

(u) Unauthorized Obligations

- (1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:
- (i) Any such clause is unenforceable against the Government.
 - (ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an “I agree” click box or other comparable mechanism (e.g., “click-wrap” or “browse-wrap” agreements), execution does not bind the Government or any Government authorized end user to such clause.
 - (iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.
- (2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

Because this is a requirements or indefinite quantity contract under which more than one agency may place orders, paragraph (a) of the Assignment of Claims clause (FAR 52.232-23) is inapplicable and the following is substituted therefore:

In order to prevent confusion and delay in making payment, the Contractor shall not assign any claim(s) for amounts due or to become due under this contract. However, the Contractor is permitted to assign separately to a bank, trust company, or other financial institution, including any Federal lending agency, under the provisions of the Assignment of Claims Act, as amended, 31 U.S.C. 3727, 41 U.S.C. 15 (hereinafter referred to as "the Act"), all amounts due or to become due under any order amounting to \$1,000 or more issued by any Government agency under this contract. Any such

assignment takes effect only if and when the assignee files written notice of the assignment together with a true copy of the instrument of assignment with the contracting officer issuing the order and the finance office designated in the order to make payment. Unless otherwise stated in the order, payments to an assignee of any amounts due or to become due under any order assigned may, to the extent specified in the Act, be subject to reduction or set-off.

(End of Clause)

I.11.11 552.232-25 PROMPT PAYMENT (NOV 2009) (DEVIATION FAR 52.232-25)

Notwithstanding any other payment clause in this contract, the Government will make invoice payments and contract financing payments under the terms and conditions specified in this clause. Payment shall be considered as being made on the day a check is dated or the date of an electronic funds transfer. Definitions of pertinent terms are set forth in section 32.902 of the Federal Acquisition Regulation. All days referred to in this clause are calendar days, unless otherwise specified. (However, see paragraph (c)(4) of this clause concerning payments due on Saturdays, Sundays, and legal holidays.)

(a) Invoice payments.

(1) The due date for making invoice payments by the designated payment office is:

(i) For orders placed electronically by the General Services Administration (GSA) Federal Acquisition Service (FAS), and to be paid by GSA through electronic funds transfer (EFT), the later of the following two events:

(A) The 10th day after the designated billing office receives a proper invoice from the Contractor. If the designated billing office fails to annotate the invoice with the date of receipt at the time of receipt, the invoice payment due date shall be the 10th day after the date of the Contractor's invoice; provided the Contractor submitted a proper invoice and no disagreement exists over quantity, quality, or Contractor compliance with contract requirements.

(B) The 10th day after Government acceptance of supplies delivered or services performed by the Contractor.

(ii) For all other orders, the later of the following two events:

(A) The 30th day after the designated billing office receives a proper invoice from the Contractor. If the designated billing office fails to annotate the invoice with the date of receipt at the time of receipt, the invoice payment due date shall be the 30th day after the date of the Contractor's invoice; provided the Contractor submitted a proper invoice and no disagreement exists over quantity, quality, or Contractor compliance with contract requirements.

(B) The 30th day after Government acceptance of supplies delivered or services performed by the Contractor.

(iii) On a final invoice, if the payment amount is subject to contract settlement actions, acceptance occurs on the effective date of the contract settlement.

(2) The General Services Administration will issue payment on the due date in paragraph (a)(1)(i) of this clause if the Contractor complies with full cycle electronic commerce. Full cycle electronic commerce includes all the following elements:

(i) The Contractor must receive and fulfill electronic data interchange (EDI) purchase orders (transaction set 850).

(ii) The Contractor must generate and submit to the Government valid EDI invoices (transaction set 810) or submit invoices through the GSA Finance Center Internet-based invoice process. Internet-based invoices must be submitted using procedures provided by GSA.

(iii) The Contractor's financial institution must receive and process, on behalf of the Contractor, EFT payments through the Automated Clearing House (ACH) system.

(iv) The EDI transaction sets in paragraphs (a)(2)(i) through (a)(2)(iii) of this clause must adhere to implementation conventions provided by GSA.

(3) If any of the conditions in paragraph (a)(2) of this clause do not occur, the 10 day payment due dates in (a)(1) become 30 day payment due dates.

(4) Certain food products and other payments.

(i) Due dates on Contractor invoices for meat, meat food products, or fish; perishable agricultural commodities; and dairy products, edible fats or oils, and food products prepared from edible fats or oils are—

(A) For meat or meat food products, as defined in section 2(a)(3) of the Packers and Stockyard Act of 1921 (7 U.S.C. 182(3)), and as further defined in Pub. L. 98-181, including any edible fresh or frozen poultry meat, any perishable poultry meat food product, fresh eggs, and any perishable egg product, as close as possible to, but not later than, the 7th day after product delivery.

(B) For fresh or frozen fish, as defined in section 204(3) of the Fish and Seafood Promotion Act of 1986 (16 U.S.C. 4003(3)), as close as possible to, but not later than, the 7th day after product delivery.

(C) For perishable agricultural commodities, as defined in section 1(4) of the Perishable Agricultural Commodities Act of 1930 (7 U.S.C. 499a(4)), as close as possible to, but not later than, the 10th day after product delivery, unless another date is specified in the contract.

(D) For dairy products, as defined in section 111(e) of the Dairy Production Stabilization Act of 1983 (7 U.S.C. 4502(e)), edible fats or oils, and food products prepared from edible fats or oils, as close as possible to, but not later than, the 10th day after the date on which a proper invoice has been received. Liquid milk, cheese, certain processed cheese products, butter, yogurt, ice cream, mayonnaise, salad dressings, and other similar products, fall within this classification. Nothing in the Act limits this classification to refrigerated products. When questions arise regarding the proper classification of a specific product, prevailing industry practices will be followed in specifying a contract payment due date. The burden of proof that a classification of a specific product is, in fact, prevailing industry practice is upon the Contractor making the representation.

(ii) If the contract does not require submission of an invoice for payment (e.g., periodic lease payments), the due date will be as specified in the contract.

(5) Contractor's invoice. The Contractor shall prepare and submit invoices to the designated billing office specified in the contract. Notwithstanding paragraph (g) of the clause at FAR 52.212-4, Contract Terms and Conditions—Commercial Items, if the Contractor submits hard-copy invoices, submit only an original invoice. No copies of the invoice are required. A proper invoice must include the items listed in paragraphs (a)(5)(i) through (a)(5)(viii) of this clause. If the invoice does not comply with these requirements, it shall be returned within 7 days after the date the designated billing office received the invoice (3 days for meat, meat food products, or fish; 5 days for perishable agricultural commodities, edible fats or oils, and food products prepared from edible fats or oils), with a statement of the reasons why it is not a proper invoice. Untimely notification will be taken into account in computing any interest penalty owed the Contractor in the manner described in paragraph (a)(5) of this clause.

(i) Name and address of the Contractor.

(ii) Invoice date. (The Contractor is encouraged to date invoices as close as possible to the date of the mailing or transmission.)

(iii) Contract number or other authorization for supplies delivered or services performed (including order number and contract line item number).

(iv) Description, quantity, unit of measure, unit price, and extended price of supplies delivered or services performed.

(v) Shipping and payment terms (e.g., shipment number and date of shipment, prompt payment discount terms). Bill of lading number and weight of shipment will be shown for shipments on Government bills of lading.

(vi) Name and address of Contractor official to whom payment is to be sent (must be the same as that in the contract or in a proper notice of assignment).

(vii) Name (where practicable), title, phone number, and mailing address of person to be notified in the event of a defective invoice.

(viii) Any other information or documentation required by the contract (such as evidence of shipment).

(ix) While not required, the Contractor is strongly encouraged to assign an identification number to each invoice.

(6) Interest penalty. An interest penalty shall be paid automatically by the designated payment office, without request from the Contractor, if payment is not made by the due date and the conditions listed in paragraphs (a)(6)(i) through (a)(6)(iii) of this clause are met, if applicable. However, when the due date falls on a Saturday, Sunday, or legal holiday when Federal Government offices are closed and Government business is not expected to be conducted, payment may be made on the following business day without incurring a late payment interest penalty.

(i) A proper invoice was received by the designated billing office.

(ii) A receiving report or other Government documentation authorizing payment was processed, and there was no disagreement over quantity, quality, or Contractor compliance with any contract term or condition.

(iii) In the case of a final invoice for any balance of funds due the Contractor for supplies delivered or services performed, the amount was not subject to further contract settlement actions between the Government and the Contractor.

(7) Computing penalty amount. The interest penalty shall be at the rate established by the Secretary of the Treasury under section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611) that is in effect on the day after the due date, except where the interest penalty is prescribed by other governmental authority (e.g., tariffs). This rate is referred to as the “Renegotiation Board Interest Rate,” and it is published in the Federal Register semiannually on or about January 1 and July 1. The interest penalty shall accrue daily on the invoice principal payment amount approved by the Government until the payment date of such approved principal amount; and will be compounded in 30-day increments inclusive from the first day after the due date through the payment date. That is, interest accrued at the end of any 30-day period will be added to the approved invoice principal payment amount and will be subject to interest penalties if not paid in the succeeding 30-day period. If the designated billing office failed to notify the Contractor of a defective invoice within the periods prescribed in paragraph (c)(5) of this clause, the due date on the corrected invoice will be adjusted by subtracting from such date the number of days taken beyond the prescribed notification of defects period. Any interest penalty owed the Contractor will be based on this adjusted due date. Adjustments will be made by the designated payment office for errors in calculating interest penalties.

(i) For the sole purpose of computing an interest penalty that might be due the Contractor, Government acceptance shall be deemed to have occurred constructively on the 7th day (unless otherwise specified in this contract) after the Contractor delivered the supplies or performed the services in accordance with the terms and conditions of the contract, unless there is a disagreement over quantity, quality, or Contractor compliance with a contract provision. In the event that actual acceptance occurs within the constructive acceptance period, the determination of an interest penalty shall be based on the actual date of acceptance. The constructive acceptance requirement does not, however, compel Government officials to accept supplies or services, perform contract administration functions, or make payment prior to fulfilling their responsibilities.

(ii) The following periods of time will not be included in the determination of an interest penalty:

(A) The period taken to notify the Contractor of defects in invoices submitted to the Government, but this may not exceed 7 days (3 days for meat, meat food products, or fish; 5 days for perishable agricultural commodities, dairy products, edible fats or oils, and food products prepared from edible fats or oils).

(B) The period between the defects notice and resubmission of the corrected invoice by the Contractor.

(C) For incorrect electronic funds transfer (EFT) information, in accordance with the EFT clause of this contract.

(iii) Interest penalties will not continue to accrue after the filing of a claim for such penalties under the clause at 52.233-1, Disputes, or for more than 1 year. Interest penalties of less than \$1 need not be paid.

(iv) Interest penalties are not required on payment delays due to disagreement between the Government and the Contractor over the payment amount or other issues involving contract compliance or on amounts temporarily withheld or retained in accordance with the terms of the contract. Claims involving disputes, and

any interest that may be payable, will be resolved in accordance with the clause at 52.233-1, Disputes.

(8) Prompt payment discounts. An interest penalty also shall be paid automatically by the designated payment office, without request from the Contractor, if a discount for prompt payment is taken improperly. The interest penalty will be calculated as described in paragraph (c)(7) of this clause on the amount of discount taken for the period beginning with the first day after the end of the discount period through the date when the Contractor is paid.

(9) Additional interest penalty.

(i) If this contract was awarded on or after October 1, 1989, a penalty amount, calculated in accordance with paragraph (a)(9)(iii) of this clause, shall be paid in addition to the interest penalty amount if the Contractor—

(A) Is owed an interest penalty of \$1 or more;

(B) Is not paid the interest penalty within 10 days after the date the invoice amount is paid; and

(C) Makes a written demand to the designated payment office for additional penalty payment, in accordance with paragraph (a)(9)(ii) of this clause, postmarked not later than 40 days after the invoice amount is paid.

(ii)

(A) Contractors shall support written demands for additional penalty payments with the following data. No additional data shall be required. Contractors shall—

(1) Specifically assert that late payment interest is due under a specific invoice, and request payment of all overdue late payment interest penalty and such additional penalty as may be required;

(2) Attach a copy of the invoice on which the unpaid late payment interest was due; and

(3) State that payment of the principal has been received, including the date of receipt.

(B) Demands must be postmarked on or before the 40th day after payment was made, except that—

(1) If the postmark is illegible or nonexistent, the demand must have been received and annotated with the date of receipt by the designated payment office on or before the 40th day after payment was made; or

(2) If the postmark is illegible or nonexistent and the designated payment office fails to make the required annotation, the demand's validity will be determined by the date the Contractor has placed on the demand; provided such date is no later than the 40th day after payment was made.

(iii)

(A) The additional penalty shall be equal to 100 percent of any original late payment interest penalty, except—

(1) The additional penalty shall not exceed \$5,000;

(2) The additional penalty shall never be less than \$25; and

(3) No additional penalty is owed if the amount of the underlying interest penalty is less than \$1.

(B) If the interest penalty ceases to accrue in accordance with the limits stated in paragraph (a)(5)(iii) of this clause, the amount of the additional penalty shall be calculated on the amount of interest penalty that would have accrued in the absence of these limits, subject to the overall limits on the additional penalty specified in subdivision (a)(7)(iii)(A) of this clause.

(C) For determining the maximum and minimum additional penalties, the test shall be the interest penalty due on each separate payment made for each separate contract. The maximum and minimum additional penalty shall not be based upon individual invoices unless the invoices are paid separately. Where payments are consolidated for disbursing purposes, the maximum and minimum additional penalty determination shall be made separately for each contract therein.

(D) The additional penalty does not apply to payments regulated by other Government regulations (e.g., payments under utility contracts subject to tariffs and regulation).

(b) Contract financing payments.

(1) Due dates for recurring financing payments. If this contract provides for contract financing, requests for payment shall be submitted to the designated billing office as specified in this contract or as directed by the Contracting Officer. Contract financing payments shall be made on the [insert day as prescribed by Agency head; if not prescribed, insert 30th day] day after receipt of a proper contract financing request by the designated billing office. In the event that an audit or other review of a specific financing request is required to ensure compliance with the terms and conditions of the contract, the designated payment office is not compelled to make payment by the due date specified.

(2) Due dates for other contract financing. For advance payments, loans, or other arrangements that do not involve recurring submissions of contract financing requests, payment shall be made in accordance with the corresponding contract terms or as directed by the Contracting Officer.

(3) Interest penalty not applicable. Contract financing payments shall not be assessed an interest penalty for payment delays.

(c) Fast payment procedure due dates. If this contract contains the clause at 52.213-1, Fast Payment Procedure, payments will be made within 15 days after the date of receipt of the invoice.

- (d) Payments made using the Governmentwide commercial purchase card are not eligible for any negotiated prompt payment discount. Payment made using a Government debit card will receive the applicable prompt payment discount.
